in its natural color. Therefore, Dr. Smith's program is, also, a **solution for hair loss, hair thinning, dull, dry hair; even balding, for some.**

- outlines Dr. Smith's **four-part** hair color restoration program that really works! Yes, clients who have used the enclosed anti-grey solutions have restored more natural color where once their hair was grey.
- **reports Dr. Smith's own and client success results**, as well as the **outcome of a 6-month Herb Study** on one of the four parts of her program. Note: Dr. Smith also reports the results of her first three months in the **YouTube Video "Coma, Hair, Weight"** on this website, when she invited the public to participate in her Herb Study Group.
- After reading this e-book, you will be equipped with the knowledge of the **safe and effective protocols** to restore your natural hair color, improve the quality of your hair, scalp and overall health, at the same time.

Whether your health goal is to improve hair and scalp challenges or keep your hair and scalp healthy, you will benefit from the knowledge in this e-book. Thank you in advance for ordering Dr. Smith's Hair Restoration Program e-book. At your consultation, Dr. Smith will share the fees for each of the four parts of this program and assist you in developing a plan to get started restoring your hair and scalp and/or design a hair and scalp health maintenance program, whether this is to start one, two, three or all four parts of the program.

ABOUT DR. SMITH

Dr. Donna Smith has a Ph.D. in Clinical Nutrition, is a Naturopathic Doctor (N.D.), a Board Certified Clinical Nutritionist (C.C.N.), Certified Dietitian-Nutritionist (C.D.N.), and a Canadian Chartered Herbalist (C.H.).

Dr. Smith is also a Free Lance Nutritional Health Writer and has written over 100 articles for Internet and traditional magazines, such as the **American Chiropractic Magazine, the largest chiropractic magazine in the United States.**

Some of her best selling e-books has been listed below. She is frequently invited to speak on NBC and ABC local networks, and at clubs, hospitals, universities and corporations on a variety of nutrition and health-related topics, such as, the national groups of scientists and biochemists at the **American Society of Clinical Laboratory Science (ASCLS), International and American Associations of Clinical Nutritionists (IAACN), Stephen F. Austin University, Midwestern State University,** Optimist Clubs, Toastmasters, Business and Professional Women's Club, Women Entrepreneurs, Worksite Wellness, American Heart Association, Parkinson's Group, and St Gobain Corporation, to name a few.

Dr. Smith owns **Advanced Clinical Nutrition (est. 1981)** in Wichita Falls, Texas, where she provides a **Clinical Nutrition Analysis or Interpretation of Laboratory Tests (blood, urine, saliva, stool and hair)** to identify and correct dietary, vitamin and mineral deficiencies adversely affecting the healthy function of the human mind and body.

From the findings of these scientific Laboratory Reports, Dr. Smith designs and dispenses therapeutic, whole food supplements, available only through nutritional health care providers, and a Dietary Plan, which is a list of foods selected for the food chemistry's positive effect on the individual's biochemistry, which is also based on test results.

Dr. Smith's Clinical Nutrition Services are also provided to **Healthcare and Fitness Providers**, who want to offer clinical nutrition services to their patients/clients, yet do not have the time or training to do so.

Clinical Nutrition Testing, Therapy, and Personalized Dietary and Lifestyle Education Services are provided by mail, e-mail and telephone consultations. A.C.N. clients save money as there are no in-office appointment fees, gas expense to/from appointments or time away from home or work for nutritional services. Lab Kits are mailed to the clients' homes, where they collect the samples and mails them directly to our Labs.

Dr. Smith has over 90% success in helping her clients improve their health, increase energy, balance hormones, improve mental function, strengthen joints, muscle, immune system, restore over-all organ/gland function (including the hair system to restore its natural color), manage weight, prevent/reverse disease and enhance life and/or sports performance. Her clientele encompasses 36 U.S. States and five international countries.
